PARENTS “CODE OF CONDUCT” CONTRACT

It is the objective of Newbury Park Girls Softball (NPGS) to provide your children with a wholesome atmosphere in which to engage in healthy athletic competition. Our primary goal is to build character in our children. Because of the excitement and high emotion of some of our games, we thought it important to express some guidelines regarding what we expect from you, the parents, and your children. Please know that the league encourages cheering, excitement, and exuberance, but please be careful and always express this in a positive manner.

- We will not tolerate any behavior on the playing field or in the stands that would hinder the spirit of sportsmanship and co-operation that we are trying to encourage.
- **DO NOT COACH YOUR CHILD FROM THE STANDS.** The coach and player on the field may have specific signs, or prearranged scenarios for play. Do not interfere with that coach’s instructions. If you would like to help coach, talk to the Manager of your daughter’s team to volunteer your time.
- At no time, and in particular, before, during, or after any league sponsored event or activity, will we permit abusive language or conduct, or profanity. This includes, but is not limited to, abusive language and profanity directed at any player, parent, spectator, manager, coach, umpire, or league and softball officials. Anyone in violation of this rule will be subject to ASA Governing Body rules for discipline.
- No alcoholic beverages are permitted in the vicinity of the NPGS playing fields.
- **NO SMOKING** on the fields of play or around players at any time.
- The speed limit in the parking lot is 5 mph. Please always use extreme caution.
- Conduct of any guests is the responsibility of the parent/guardian whose child participates in the league.
- This is a volunteer program. We expect that you will do your part to keep our facility clean.

Failure to comply with these rules may result in a player, parent, or guest being asked to leave our premises, and could result in forfeiture of the game. Serious or repeated offenses could result in expulsion from the league.

Fund Raising – Registration covers only a portion of the cost of league operation. Parents will be asked to participate in a fundraising drive during the season. Your support will allow us to improve the quality of our facility while at the same time holding down the cost of registration.

Payment of Registration Fee – Payment in full of the registration fee is required before a Player is assigned to a team. The only exceptions must be board approved.

Refunds – Our goal with refunds is to be flexible and fair. We will respond to any request made within a reasonable timeframe. Once teams have been formed, barring unusual or unforeseeable circumstances, refunds will not be issued.

Special Team Request – Any request to either play with, or not play with, a specific Manager, Coach or other player, other than family members, is considered a Special Request. Special Requests are considered in 6U, and are generally discouraged for 8U. In the interest of fairness, please do not make requests for specific teams or “play withs” for 10U and higher, as there is great difficulty in honoring such requests AND maintaining fair teams. Contact the Player Agent if more information is required. Identified sisters in the same division will automatically be placed on the same team, unless indicated otherwise by the family.
